Dear Ms Hansink,

Thank you for your message of 28 October addressed to Vice-President Barrot concerning the Adoption Conference organised by the European Commission and the Council of Europe on 31 November - 1 December 2009. I apologise the delay in replying. You write that you had not received a reply to your registration; I understand that you have since, on 3 November, received a confirmation form the responsible person and that matter is solved.

As regards the travel and accommodation costs, I have the pleasure to inform you that the European Commission, given the big success of the joint Conference on adoption, has made available an additional budget to finance the participation of one representative of the NGOs and Academia from the Member States of the European Union and of the Council of Europe which had registered to our Conference within the deadline.

I understand that you represent "United Adoptees International". Therefore, I kindly ask you to confirm if your organisation is interested in taking advantage of this possibility and, if this is the case, to communicate to Ms Patrizia De Luca [redacted] as soon as possible, the name of the person to be reimbursed.

In order to allow a swift reimbursement of her/his travel and accomodation fees, I kindly remind you to keep a copy of your travel tickets and hotel invoices. The reimbursement will be done by the agency working with us in the practical organisation of the conference. To this end, the responsible person will contact you in due time.

Yours,

Salla Saastamoinen
