Subject: Exchange of views, BDI

Dear Mrs Asenius,

In light of the changing trade landscape – most notably in regards to the US and Russia – the Federation of German Industries (BDI) would like to meet up with you and discuss the state of the current trade environment.

Dr. Stefan Mair, Member of the BDI's Executive Board, and Mr. [REDACTED], BDI's [REDACTED], kindly request an exchange of views with you regarding the above mentioned issues. Dr. Mair will be in town on March 21st. Only in the time slot between 12:00 and 15:00 o'clock, the gentlemen do not have time. Apart from that we are open to suggestions – also for possible breakfast or dinner meetings if preferred.

It would be very kind of you to inform us whether an appointment on this day would be possible for you.

Thank you very much and kind regards,

BDI/BDA The German Business Representation
