Dear Ilkka,

Thank you again for a very constructive meeting this week.

As already indicated during our meeting, unfortunately, Commissioner HEDEGAARD will not be available for a meeting with [REDACTED] on 8 May. A meeting might however be possible another time when [REDACTED] comes to Brussels.

As a follow-up to our meeting, I would be grateful for any further information you might have on the potential for palm oil with methane capture (current percentage and extension potential).

Thanks a lot and best regards,

[REDACTED]
