Subject: Your request for access to documents of 5 April 2017
Our ref: 2017/058

Dear Ms Douo,

Thank you for your request for access to documents, which we have examined in the framework of Regulation (EC) No 1049/2001¹.

Although your request is very wide and vague, we have identified various relevant documents, which I am pleased to forward to you attached to this letter:

1. EU – Central America Political Dialogue and Cooperation Agreement
2. Regulation establishing a financing instrument for development cooperation 2014-2020
3. Multiannual Indicative Programme 2014-2020 with Honduras
4. Special Report of the European Court of Auditors

With regard to correspondence with the European Court of Auditors, I regret to inform you that deliberations and preliminary consultations with their representatives cannot be disclosed since it could undermine the institutions' decision-making process (as per Art 4(3)2 of the Regulation).

You also requested correspondence between the EEAS and officials/representatives of the State of Honduras since 2009, which relates to a very large number of documents. With a view to identify the appropriate documents, the EEAS division in charge of Honduras would be happy to meet with you in week of 29th of May, in order to better understand your needs and to do a more targeted search (as per Art 6(3) of the Regulation). We thank you in advance for

¹ Regulation (EC) No 1049/2001 of the European Parliament and of the Council regarding public access to European Parliament, Council and Commission documents (hereafter the "Regulation").

informing the division (AMERICAS-2@eeas.europa.eu) whether you would be available for such informal meeting.

Yours sincerely
