Subject: Adjustment to the annual contribution of the Kingdom of Norway to the EMCDDA 2016 budget

Dear Ms Thoresen,

Pursuant to the usual procedure, I am addressing you to submit the EMCDDA's request for the payment of the annual contribution of the Kingdom of Norway to the EMCDDA 2016 budget.

This contribution amounts to **EUR 389 962.64** and you may find enclosed herewith the debit note required by our Financial regulation to process the request for payment.

The aforementioned amount has been calculated in accordance with the relevant provisions of the Agreement in force between the Kingdom of Norway and the European Union and it takes into account the amount in the EMCDDA 2016 budget, as adopted by the EMCDDA Management Board in December 2015.

The EMCDDA Management Board will consider and eventually adopt an amendment to the 2016 budget in October. Should the adoption of this amendment affect the amount of your 2016 contribution, we shall promptly proceed to the corrective measures required and address you for this purpose.

We would also like to provide you some preliminary information about the estimated amount of the contribution of Norway to the EMCDDA 2017 budget. According to the 2017 EMCDDA Preliminary draft budget, the Norway contribution will be the same as in 2016, i.e. **EUR 389 962.64**. We hope and trust that this information may facilitate the operations required to enter the necessary appropriations in your national budget.

Finally I would like to thank you for the excellent co-operation.

Yours sincerely,

Dante Storti
Head of Administration unit
