Dear [REDACTED] Dear all,

Thank you again for the kind invitation to the 39th Meeting of the Committee for Risk Assessment (RAC-39). As requested, I'm pleased to provide a draft presentation for the 7 December session on glyphosate. I also append the signed declaration form.

Please do not hesitate with any questions, or if I can provide anything further.

With kind regards,

RE: 39thmeeting of the Committee for Risk Assessment (28 November-2 December and 7-9 December 2016)

For the attention of IARC - glyphosate

Dear [REDACTED]

Please find attached your formal invitation to the 39th Meeting of the Committee for Risk Assessment (RAC-39). Glyphosate is scheduled to be discussed on Wednesday 7 December at 14.00 – 18.30 Helsinki time. The working language of the meeting will be English.

Preparation for the meeting

The provisional Draft Agenda, the provisional timelines and the ECHA Code of Conduct are attached to this invitation.

In line with the rules of procedure of the Committee for Risk Assessment, as you are participating in a RAC meeting for the first time, please sign a Declaration of Confidentiality according to RAC Rules of procedure. This form, duly filled in and signed, needs to be returned to the Secretariat in advance of the meeting (you should send the scanned copy of the declaration by e-mail to our functional mail box rac@echa.europa.eu).

Practicalities

You are kindly asked to make your own travel and any hotel arrangements. A list of local hotels is available on request.

Data protection notice

This meeting will be video recorded for minute taking purposes. The recordings will only be accessible to the Secretariat and will be permanently deleted once no longer needed. Please note that the minutes, which are published on the ECHA website, include a list of participants. The European Chemicals Agency will ensure on its part that your personal data is processed as required by Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. You have the right to access and rectify that data. To exercise these rights, please contact the data controller at rac@echa.europa.eu. For any further information or assistance you may need, please contact the RAC Secretariat (rac@echa.europa.eu).

Subject: FW: early notification of invitation to RAC-39, agenda item on glyphosate

Dear [REDACTED] dear [REDACTED],

I am contacting you in relation to the upcoming debates in ECHA's Risk Assessment Committee (RAC) about the hazard assessment of Glyphosate (ISO). Your names were mentioned to me as contact persons in IARC in this matter.

IARC plays a role in the Glyphosate assessment. We would therefore like to invite an expert from IARC, in order for him or her to **contribute to the presentation of key issues involved in the hazard assessment of Glyphosate (ISO) to ECHA's Committee for Risk Assessment (RAC)**, which will take place at the 39th Meeting of the Committee for Risk Assessment (RAC-39B) on

7 December 2016, 2.00-6.30pm Helsinki EET

In order for the expert to contribute to the discussions, he or she is asked to prepare a presentation (power point format) which should focus on the hazard profile of Glyphosate (ISO). In particular, it should

- Provide a **hazard assessment** of Glyphosate (ISO) in accordance with the criteria of Regulation (EC) No 1272/2008 (**CLP Regulation**) and pertinent ECHA Guidance;
- Focus primarily on the **carcinogenicity** and **reproductive toxicity** hazards;
- Clarify on what information the hazard assessment is based;
- Abstain from presenting mixture issues and issues of biodiversity;
- Abstain from presenting risk and socio-economic considerations;

- Abstain from presenting regulatory or economic downstream consequences of classification;
- Be strictly science-orientated and abstain from conveying political claims.

The time allocated for the presentation of the slides is **20 minutes**, followed by 10 minutes of questions and answers from the plenary members.

The presentation should be delivered to the RAC Secretariat (rac@echa.europa.eu) by Friday, 5th November 2016, end of business. The Secretariat will make the presentation available to RAC members and the RAC stakeholder observers and also intends to make it available to the public.

You will receive the invitation to the RAC-39B meeting in due course. Nevertheless, we would be happy if you could already now identify a suitable expert to contribute as outlined above, and notify his or her name to us.

For questions on whatever, you can contact me under [REDACTED] OR by phone under [REDACTED] at any time.

Best regards,
[REDACTED]
