Good afternoon!

I am writing on behalf of Commissioner Arias Cañete to thank you for your email in which you invite him to speak at the Eurogas Annual Conference Summit which will take place on 27th October.

It would have given him great pleasure to attend but unfortunately it will not be possible. The Commissioner is already committed to another engagement and will be travelling at that time.

He wishes you every success with your event!

Yours sincerely

Karen Campbell
(Assistant in Commissioner Arias Cañete's Cabinet)
