Your Excellences,
Dear Ambassadors,
Dear TiSA negotiators,

The Global Services Coalition (GSC) is pleased to send you attached a Joint-Statement on the on-going Trade in Services Agreement (TiSA) negotiations. The statement has been signed by 12 coalitions of services industries from 10 TiSA Participating countries.

Given the always moving team of negotiators, I should be grateful if you would forward this Joint-Statement to all relevant persons in your Permanent Mission and your services negotiators based in your capitals, or to provide me, should you find it appropriate, with the name and email address of these relevant persons.

The Global Services Coalition (GSC) will likely organise a delegation trip to Geneva during the July's TiSA round, but we all wanted to ensure you in the meanwhile that the services industry is following closely the progress of the TiSA and calling on you to intensify efforts toward conclusion of a high ambition agreement.

Yours sincerely,

Pascal Kerneis
