Subject: Meeting with Plastics Europe - 7 Novembre 2017

Participants:

- Mr. [REDACTED] and Ms. [REDACTED] (Plastics Europe)
- [REDACTED] (SG), [REDACTED] (ENV), [REDACTED] (GROW)

Summary:

The meeting was held at the request of Plastics Europe to present their views on the upcoming Plastic Strategy.

Plastics Europe's representatives stressed that they had a strong interest in the EU's Strategy on Plastics and fully supports its goal of increasing circularity in the plastics industry as well as lowering its impacts. Plastics Europe called for an ambitious but fair strategy which highlights the importance of the goals of the circular economy initiative. The Commission representatives took note of the position expressed and called on Plastics Europe to work together with other actors in the value-chain to come forward with concrete and ambitious voluntary commitments to support the Strategy.
