Dear colleagues,

As regards Art 29 there are MS that have not yet replied to the Commission. We have received a request for access to documents, in particular the requester want to know what MS have notified the Commission on Art 29 and the content of the measures.

For those MS that already delivered the information we tend to assume that the information can be disclosed unless you say otherwise. For those MS indicating that there is a draft not yet approved, can you pls let us know whether the draft can be disclosed? For the MS that have not yet replied pls do it.

As we have a specific deadline for replying to the requester, pls reply to us on the above requests by 9 February at the latest.

Best regards,

**European Commission**
