Cher [REDACTED],

Please find enclosed for our information an updated position paper from CECCM outlining our views and constructive proposals regarding the customs classification in the World Customs Organization's (WCO) harmonized system tariff nomenclature of the **Tobacco Heating Product (THP) consumables** and the **chemical preparations used in Electronic nicotine delivery systems** (Ends).

I also attach to this mail two legal opinions (see Appendix 1 & 2), which are mentioned in the CECCM paper, in order to provide you with further background information.

Should you need further information, please do not hesitate to contact me.

Bien à vous,
