Dear 

Thank you very much for the supporting documents in replay to our sampling request. However, we have not received the completed Excel file, which I have sent you in my previous email. Please send us the outstanding document.

In addition, I would kindly ask you to clarify the cost/invoice (part of a meeting, etc.) related to sampling item 4 ()

Furthermore, in relation to the procurement procedure you mentioned that six offers were considered administratively non-compliant, as they did not submit the original bid bond within Article 8.1 of Section 1 of the tender document. Could you please clarify. Moreover, according to Directive 2004/18/EC in the case of an open procedures, the minimum time limit for the receipt of tenders shall be 52 days from the date on which the contract notice was sent. In your case the opening of the offers was after 42 days. Have you published a prior information notice? Please clarify.

I would kindly ask you to send us the outstanding information within 1 week and note that the period foreseen for approving your reports according to Annex II, Article II.23.2 of the Grant Agreement is suspended until all the supporting documentation requested is received.

Thank you very much in advance.

Best regards,
