Dear I

Just to shortly introduce myself, I am the new regulatory advisor at TAP in charge of the PCI workstream. I have taken over this workstream from my ex-colleague Michael. Can we please have a short call today after 3:30 pm? I have talked to Mr. Rares Mitache and he explained that the Commission is in charge of any questions related to confidentiality of the data.

Thank you and kind regards,

Dear Project Promoters of the PCI candidates,

Following the European Commission's request, and on the basis of your mandate, ENTSG has performed the PS-CBA modelling for the projects applying for the PCI status on the third Union list. On 31 May 2017, ENTSG provided you with the CBA results (the benefits part) for the respective project groups.

We would like to ask you to **complete and submit the PS-CBA results** (per project group) to the European Commission (ENER-B1-PROJECTS@ec.europa.eu), ACER (GasPCI@acer.europa.eu) and NRAs (to the relevant recipients indicated in the pdf file attached) **by 16 June 2017**, at the very latest.

We also would like to inform you that upon the receipt of your PS-CBA, in accordance with Article 4.4, and Annex III.2(1) to the TEN-E Regulation, **the Commission will send the "PS-CBA project fiche" to the Ministries of the Member States, Transmission System Operators and project promoters of the respective Gas Priority Corridor**.
