Subject: Submission of the PS-CBA results for the PCI candidates - the third Union list of PCIs
Attachments: 2017_NRA_checklist_contacts_GAS-ENTSOG.PDF

Dear Project Promoters of the PCI candidates,

Following the European Commission's request, and on the basis of your mandate, ENTSOG has performed the PS-CBA modelling for the projects applying for the PCI status on the third Union list.

On 31 May 2017, ENTSOG provided you with the CBA results (the benefits part) for the respective project groups.

We would like to ask you **to complete and submit the PS-CBA results** (per project group) to the European Commission (ENER-B1-PROJECTS@ec.europa.eu), ACER (GasPCI@acer.europa.eu) and NRAs (to the relevant recipients indicated in the pdf file attached) **by 16 June 2017**, at the very latest.

We also would like to inform you that upon the receipt of your PS-CBA, in accordance with Article 4.4, and Annex III.2(1) to the TEN-E Regulation, **the Commission will send the "PS-CBA project fiche" to the Ministries of the Member States, Transmission System Operators and project promoters of the respective Gas Priority Corridor.** Furthermore, as

1

explained at the meeting of the Regional Groups of the four gas Priority Corridors of 30 May, **the data provided in the remaining documents of your PS-CBA will be used by the Commission to fill-in the "assessment table" that will be shared with the respective Regional Group.** The assessment table will provide information about all PCI candidates in a given Priority Corridor. One assessment table will be prepared for each of the four Gas Priority Corridors.

All the recipients of the "PS-CBA project fiches" and the "assessment tables" will be reminded about the obligation to preserve the confidentiality of commercially sensitive information (as laid down by Annex III.2(2) to the TEN-E Regulation).

Thank you in advance.
Kind regards

European Commission

Subject: save the date - webinars on PS-CBA

Dear Project Promoters of PCI candidates,

3

The European Commission has recently announced the organisation of the Cross Regional Groups meeting on 30th of May. One of main points on the Agenda will be the presentation of the ranking methodology for projects applying for the PCI status.

Please note that as soon as the ranking methodology is approved, ENTSOG will start sending the PS-CBA results to the relevant Project Promoters.

In this context, ENTSOG will arrange two webinars to support promoters in understanding the elements they have to fill in to complete the PS-CBA as well as the results provided by ENTSOG. **The webinars will take place on 06.06.2017 from 14:00 to 15:30 (CET) and on 12.06.2017 from 14:00 to 15:30 (CET).** Further information on connection details will be provided in a different e-mail. Please block the convenient timeslot in your calendars.

Should you have any questions on the topic, please do not hesitate to contact me.

Best regards,

ENTSOG -- European Network of Transmission System Operators for Gas
Avenue de Cortenbergh 100
B-1000 Brussels
