GESTDEM 2018 – 3264

List with identified documents

1. Ares(2018)3497909 TDMA comments following the 25th CARACAL meeting
Classification of TiO₂ and mixtures containing TiO₂ 8 December 2017
2. Ares(2018)3497957 TDMA comments on CA/08/2018 26th CARACAL, 7-8 March,
Agenda Item 14
3. Ares(2018)3497995 TDMA comments on CA/MS/07/2018, CA/27/2018 26th
CARACAL, 7-8 March, Agenda Item 13
4. Ares(2018)3498055 25th Meeting of Competent Authorities for REACH and CLP.
TDMA position on agenda item “Classification of TiO₂ and mixtures containing
TiO₂”
5. Ares(2018)3498130 Socio-economic Impacts of a Harmonized Classification of
Titanium Dioxide (TiO₂) as Suspected Carcinogen by Inhalation (Cat. 2)
6. Ares(2018)3498239 Follow up to the 26th CARACAL: Classification of TiO₂ (AP
13)
7. Ares(2018)3498342 Follow up to the 25th CARACAL on CLP related topics:
Classification of TiO₂ and mixtures containing TiO₂ (AP 19)
8. Ares(2018)4153118 UEAPME follow-up CARACAL (CLP) June 2018
9. Ares(2018)3498411 Comments regarding the discussion about the “Classification of
TiO₂ and mixtures containing TiO₂” at the meeting of CARACAL, 16 November
2017
10. Ares(2018)3498457 Classification of TiO₂ and mixtures containing TiO₂
(CA/43/2018 and CA/MS/48/2018) for the 27th meeting of CARACAL on 12 June
2018
11. Ares(2018)3498586 Answers to the questions raised concerning the proposal to
classify titanium dioxide as carcinogenic (Cat. 2) (Doc. CA/MS/07/2018, CA/27/2018
and CA/08/2018)
12. Ares(2018)3498671 Comments on the European Commission’s working paper
“Classification of TiO₂ and mixtures containing TiO₂” (Doc. CA/90/2017) for the

- 25th meeting of the Competent Authorities for REACH and CLP (CARACAL), 15-16 November 2017
13. Ares(2018)3498500 VCI Statement On the proposal for a harmonised classification of titanium dioxide (TiO₂)
 14. Ares(2018)3498636 Presentation on Harmonized Classification of Titanium Dioxide November 2017
 15. Ares(2018)3498859 BDI position on the proposal for harmonised classification of titanium dioxide, 29 January 2018
 16. Ares(2018)4153266 Answers to the questions raised concerning the proposal to classify titanium dioxide as carcinogenic (Cat. 2) (Doc. CA/MS/07/2018 and CA/27/2018)
 17. Ares(2018)3499177 VdL Position paper on the proposal for a substance classification for titanium dioxide, 30 January 2018
 18. Ares(2018)3498938 Industry statement on the case of TiO₂ For the CARACAL meeting 15-16 November 2017 October 2017
 19. Ares(2018)3499266 POST NOVEMBER 2017 CARACAL MEETING CA/90/2017 CEPE COMMENTS – FINAL
 20. Ares(2018)3499401 E-mail from CEPE to Commission on dust limits in MS, 13/04/2018
 21. Attachment: presentation EU MS dust limits
 22. Ares(2018)3499470 E-mail from CEPE to Commission on Powder coating presentation and SEA, 11/06/2018
 23. Attachment 1: Analysis of the socio-economic impacts of a harmonised classification of Carcinogen Category 2 for titanium dioxide (TiO₂)
Public available in <http://rpaltd.co.uk/reports>
 24. Attachment 2: Powder coatings
 25. Ares(2018)3499661 Industry Statement on the Harmonized Classification of Titanium Dioxide (TiO₂) to Mr. Karmenu Vella, European Commissioner for Environment, Maritime Affairs and Fisheries, 18 May 2018
 26. Ares(2018)4153285 CEPE comments following the CARACAL meeting of 12 June 2018 Agenda point 5 ‘Classification of TiO₂ and PSLTs’ 29 June 2018
 27. Ares(2018)3499775 DUCC comments on CA/MS/07/2018, CA/27/2018 26th meeting of CARACAL, 7-8 March 2018

28. Ares(2018)4153307 DUCC comments on titanium dioxide (CA/45/2018, CA/MS/48/2018) 27th meeting of CARACAL, 12 June 2018
29. Ares(2018)3499942 Eurometaux comments on CARACAL 25 –CA/90/2017 - Classification of TiO₂ and mixtures containing TiO₂, 15 December 2017
30. Ares(2018)3500057 Note on Follow up to the 25th CARACAL Classification of TiO₂ and mixtures containing TiO₂ (AP 19), 15th December 2017
31. Ares(2018)3500111 E-mail from CEFIC to DG ENV on Meeting with TDMA, Friday 13th April @ 2 pm of 09/04/2018
32. Attachment 1: Letter from TDMA to DG ENV of 6 April 2018 on Re: TDMA – DG Environment meeting on the 13th of April
33. Attachment 2: Science Proposal for Titanium Dioxide Prepared by EBRC Consulting GmbH on behalf of the Titanium Dioxide Manufacturers Association (TDMA), April 2018
34. Ares(2018)3500177 E-mail from CEFIC to DG ENV on TDMA - pre-read for meeting Friday 13 April, 12/04/2018
35. Attachment 1: Science Programme for Titanium Dioxide, 13th April 2018
36. Ares(2018)3498163 Letter from TDMA to Head of Unit Resource Efficiency of 9 May 2018 on Adaptation to Technical Progress to CLP Regulation - Titanium Dioxide
37. Ares(2018)3498199 Document of 9 May 2018 Titanium dioxide's classification will negative impact the EU's circular economy
