Dear [REDACTED]

Please note that [REDACTED] will not be able to be present during our meeting at 11h00 as there is no train traffic possible between Lille and Brussels due to copper theft. Our sincere apologies.

I have gathered all materials and can explain the GIE suggestions for the Regulation 994/2010. I have also prints of the conclusions of the LNG workshop.

See you in a bit less than an hour!

Kind regards,
