**Subject: Confirmatory application for access to a document under Regulation
1049/2001 - GestDem 2013/3351**

Dear Mr Kostas Vitsos,

I refer to your e-mails of 11 December 2013, 14 January 2014 and 17 February 2014 regarding your request for access to documents pursuant to Regulation 1049/2001, registered under reference n° 2013/3351.

The delay in handling your application is due to the highly technical nature of the documents concerned as well as the services involved, which have been carrying out a new search concerning your request. I would like to inform you that final contributions are now being gathered in order to draft your confirmatory reply.

I can assure you that we are doing all we can to provide you with a response as soon as possible. I apologise for the delay in replying to your request and the possible inconvenience caused.

Yours sincerely,

Martin Kröger
