12 August	International Youth Day	story	X	X	Recycle erasmus clip from Gothenburg / or a simple graphic showing the unemployment rate going down / Erasmus budget going up / and the Eurobarometer confidence index going up.  I suggest to have three elements in this: (1) youth unemployment going down - it has dropped from a peak of 24% in 2013 to 15.9% in Feb, 2018, (2) more erasmus - gothenburg / the budget for Erasmus+ programme is up +10.37% in 2019, and (3) youth happy about EU - check eurobarometer. Message proposal: <i>Good news for future of EU! Youth unemployment continues to go down, Erasmus+ budget continues up allowing even more young people to know each others' cultures, AND more young people than ever trust EU! #YouthDay</i>
