Dear Mr Kolimatsis,

I refer to your email of 19 July 2013 by which you request a review of the position taken by the Data Protection Officer (DPO) on 5 July 2013, in reply to the third point of your initial application of 25 June 2013 ("3. The documents drawn up by the European Commission Data Protection Officer about the processing operations of DPO-3334.1, including those he dispatched to the EDPS.").

The Data Protection Officer has verified his records and has confirmed that he does not hold any documents or parts of documents falling within the scope of your request for access.

As Regulation (EC) No 1049/2001 covers documents which are in the possession of the institution who has received the application, your request is therefore devoid of purpose.

Yours sincerely,

Hubert Szlaszewski
