Subject: RE: Meeting request with VP Ansip

Dear Mr Graziano,

Sorry for coming back to you only now but it has taken some time to coordinate Mr Ansip's diary for the 06 June. Mr Ansip would be happy to meet Mr Ken Hu in the margins of the Next Generation Internet Summit and preferably after the opening session where – as I understand – Mr Hu is also participating in. In terms of timing we do not have unfortunately much time at disposal but there will be most certainly ca 15 minutes time for a short chat. Therefore, I would suggest Mr Hu to approach Mr Ansip right after the opening session.

Thank you and have a nice weekend!

Kind regards

Subject: Meeting request with VP Ansip

Dear Mr Gren,

Further to my brief telco with your assistant [REDACTED] of this morning, I am writing to inquire about the possibility of scheduling a meeting between Huawei's rotating CEO Ken Hu and Vice President Ansip during the period 6/7 June 2017. Mr Hu will visit a number of EU member states, and Brussels, to attend a speak at the Internet Summit on the 6th June. As part of the visit Mr Hu has specifically asked to arrange a meeting with VP Ansip to discuss /share ideas how we at Huawei can support the current European projects and how we can actively contribute to the EU's 5G deployment.

I thank you in advance for your support. Please do not hesitate to contact me should you need further information/clarification.

I look forward to hearing from you.

Regards

Tony Graziano
