**Subject:** Report meeting KAS - 11 May 2017

On Thursday 11 May I met, upon their request with 4.1(b) of the Konrad Adenauer Foundation (KAS).

4.1(b) has been recently appointed 4.1(b) KAS based in Singapore, and 4.1(b) will take up this function in the coming weeks. (4.1(b) works at the Brussels office).

The KAS regional office in Singapore comprises three regional programmes that focus on political dialogue, media development and the rule of law respectively. The Regional Programme Political Dialogue Asia and the Pacific aims to contribute to the strengthening of regional integration, global governance, democratic processes, and international dialogue among Asian countries as well as between Europe, Asia and Australia. The visit followed up on an earlier meeting back in February with 4.1(b) who is also working on the same regional programme in Singapore.

I gave an overall overview of the EU's trade policy agenda in ASEAN and the region. 4.1(b) was also interested in next steps for the Singapore FTA.

I recommended 4.1(b) to also establish contact with our trade section in Singapore.
