Dear 4.1(b),

Attached a report on the event prepared by our trade officer (we were not officially invited and learnt about it at the last minute). We never worked with this consulting firm and learned only there that 4.2 was the organiser of the event, not KADIN or INA. 4.2 is to attract attention (and potentially clients) from Indonesia's main trade stakeholders. It has proven capable to involve KADIN at a very high level and even the very busy 4.1(b) was willing to provide a presentation. During his presentation, Mr. Bruggink constantly highlighted the need for "lobbying", and he is likely coming to Brussels to increase his portfolio of contacts. Having said that, it may worth meeting him and sound out what are in his view the critical "asks" of Indonesian business in the CEPA negotiations.

Dear 4.1(b),

I am not sure whether to meet them. Are they looking for more contracts? How did the event in Jakarta go? Did you ever work with them?

Subject: Meeting Request - April 28 2017

Dear 4.1(b),

I am writing to you on behalf of 4.2 to request a meeting on 28 April between Ms. König and our Executive Director, Maurits Bruggink, on the topic of EU-Indonesia trade and capacity building.

As you may be aware, Ridens organized an event this week on CEPA in Jakarta which featured presentations and discussions by Indonesian stakeholders and 4.1(b).

If Ms. König is available to meet with Mr. Bruggink on this day, I would be most grateful if you could outline her availabilities for the 28th.

I look forward to hearing from you.

Yours sincerely,

4.1(b)
