Subject: Phone call from ETRMA, 12 February 2018

Today [redacted], ETRMA, called to inquire about the state of play of negotiations as well as the situation of trade barriers on imports of tyres into Indonesia- which appear to affect more and more importers in Indonesia.

I informed about the state of play of negotiations and the lack of any amendments to the current policy, for the time being.

[redacted] will contact us after the round of negotiations.

Best regards,
