Dear [redacted]

Thank you, that is excellent! The best slot in the afternoon of 12 July would be at 16.00-16.45. I hope that it is fine with you as well.

We are very happy that we could make the meeting happen – thank you very much again for your flexibility! There are still few technicalities that we would need to solve before. Firstly, I will register you as visitors in our visitors' database in order to grant you access to our building Berlaymont, rue de la Loi 200, Brussels (this is the main building of the European Commission in Brussels). In order to do that, could I have please your ID card/Passport number, date of birth and nationality.

Second request concerns your company registration. According to the Commission's transparency rules, we have the obligation to publish on Commission web page all the meetings that we have with external stakeholders. We inform the general public about the meeting time and general topics that were discussed (no details). Could you please register Audible Magic in our Transparency Register that you would find here <https://ec.europa.eu/transparencyregister/public/ri/registering.do?locale=en>

Many thanks and looking forward to our meeting on 12 July!

Kind regards
