Subject: Your application for access to documents – Ref GestDem 2019/0683

Dear Mr. Weston,

We refer to your request dated 05/02/2019, in which you make a request for access to documents, registered on 05/02/2019 under the above-mentioned reference number.

Please find below the tables created according to your request. We have extracted the figures from our databases of all Competition cases started during the last 5 years by Directorate General of Competition, broken down by policy areas.

For State Aid Cases we have distinguished the cases notified by Member States (N) from those cases that fall under the General block Exemption Regulation (GBER) (X).

A breakdown by Member State can only be extracted for State Aid cases, as cases related to Antitrust and Mergers could be related to several Member States.
