Dear Ms Malmström,

One year after the adoption of the 2030 Agenda for Sustainable Development, the implementation of the Sustainable Development Goals (SDGs) in the external activities of the European Union is taking shape. With the *Global Strategy on Foreign and Security Policy*, the revision of the *European Consensus on Development* and the proposal for an *External Investment Plan*, first steps have been taken.

At our next sef: Policy Lunch entitled "**From Shared Vision to Common Action. Realizing the SDGs in the EU's External Activities**", we will assess the EU's strategy so far and discuss necessary next steps to finally walk the talk – together with representatives from the EU as well as with experts from non-European countries and from civil society.

You are cordially invited to this event on **07 November 2016, at 12.00 hrs** at the **Representation of North Rhine-Westphalia in Brussels**. For further details, please have a look at the programme attached.

Please register until 01 November 2016 at www.sef-bonn.org/en/seflunch .

With kind regards
