**Subject:** Request for a meeting with Amazon VP

Dear Mr Husak,

[REDACTED], Amazon's worldwide Vice President for Product Safety and Compliance will be in Brussels on the 14<sup>th</sup> November. We would welcome to meet with you and interested colleagues to explain what actions, both reactive and proactive, Amazon takes to ensure product safety and compliance across its vast selection.

Amazon strives to be Earth's most customer-centric company. We work hard to earn and maintain customers trust and are firmly committed to the safety of our customers. To maintain this trust, we constantly innovate on behalf of our customers to improve the ways we ensure product safety.

Would you and interested members of your Unit be available on the 14<sup>th</sup> November between 10:30 and 16:30, for an indicative time-slot of 1 hour, to meet with our worldwide VP for Product Safety and Compliance?

Best regards,

[REDACTED]
