

BTO: MWC, Barcelona 26.02.2019, DG Roberto Viola meeting with [REDACTED], [REDACTED], Amazon Web Services

Participants:

Amazon Web Services: [REDACTED], [REDACTED], [REDACTED], [REDACTED]

DG CONNECT:

Roberto Viola, Director General, [REDACTED], [REDACTED], [REDACTED]

Amazon Web Services (AWS) requested a meeting to exchange on general current issues.

Amazon Web Services (AWS) raised the issues of cloud related policies and intermediary liabilities for internet service providers.

RV highlighted the importance of co- and self-regulation, like the codes of conduct. In terms of liability he underlined that the responsibility of platform providers is limited pursuant to the e-commerce Directive.
