General information and adoption of the Agenda
The purpose of the meeting was to assess the organisation and work of each subgroup, to possibly review their names and avoid overlapping mandates.

The Agenda has been adopted.

Future of the Subgroups: tour de Table of Ideas
A document has been produced in real time in order to have a global view of all the mandates of the subgroups.

Discussions
The ICO and the AT SA were asked to present their paper. The ICO document has been taken as basis for further discussions.

It appears from the discussions that:
Handling article 65 cases

Due to the short deadline to issue such a decision, the Coordinators need to determine a workflow for the effective and swift handling of those cases.

To-do

- Written comments are welcome on the document produced during the meeting and describing the mandates of the subgroups;

- A summary of the discussions will be done in the FoP meeting (19.06.18)

- A clear procedure should be created for the handling of the article 65 cases
