

Final

Taskforce Fining meeting

21 February 2019, Rue Montoyer 30, 1st Floor, Brussels

1. Welcome and adoption of the agenda

The draft agenda was approved by the members of the expert subgroup.

2. Fining practice

■■■■■ shared their first experiences regarding the imposition of fines after the entry into force of the GDPR.

The members of the expert subgroup also discussed how to proceed if a decision is challenged before the courts.

■■■■■ also presented their experiences in this regard. So far, 11 sanctions have been imposed and 7 of them were fines. All the cases concerned illegal video surveillance systems. The members of the subgroup discussed the procedure and shared their views.

Ad hoc, DE presented a recent fining case in Germany and explained the current German practice on the calculation of fines.

Regarding current cases, 10 members of the expert subgroup affirm to have pending cases started after the entry into force of the GDPR.

3. Presentation of Confluence (SEC)

The EDPB Secretariat presented the new IT-system for non-OSS collaboration. The Secretariat explained the context behind it. The idea is to develop a knowledge-based tool where all the SAs can share relevant information. Members of the expert subgroup are asked to provide feedback on it, especially with regard to the two options presented for the Fines Register.
