Dear Neven,

Dear Nils,

following our conversation last Tuesday (Feb. 19), I decided to run in the forthcoming EP elections on May 25, 2019 in Slovakia. My nomination was formally submitted on February 22 on the list of KDH/EPP party. I see forthcoming elections as crucially important for future of the European Union, as decisive for strengthening and institutionalization of the ForB policy and for the increase of historically lowest citizens participation rate achieved in Slovakia in 2014 (only 13%).

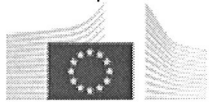

During the campaign I will follow the rules applicable in my position of the EC Special Advisor.

Kind regards,
