I am sure the commissioner will want to have this meeting. Is he in Brussels on the 29th? Please see how the day looks, book a slot if possible and inform GE. Thanks

António

Dear Mr Vicente

I am writing you to inquire whether Commissioner Moedas would be available to meet with [REDACTED], [REDACTED] of General Electric Company in the morning of April 29 in Brussels. [REDACTED] has been named [REDACTED] by Barron's, and since he began serving as [REDACTED], GE has been named "America's Most Admired Company" in a poll conducted by Fortune magazine and one of "The World's Most Respected Companies" in polls by Barron's and the Financial Times.

[REDACTED] enacted 54 of the 60 recommendations made by [REDACTED] that could be implemented with an executive order.

With 94,000 employees in Europe, EUR 11 billion in exports of products and services from our European factories, and EUR 19 billion in European sales revenue, GE remains committed to continue investing in Europe, as the company has been doing for more than 100 years. As a major inward investor in Europe, [REDACTED] would appreciate the opportunity to exchange views on incentives for investment in infrastructure and R&D, the

future of Europe's internal energy market, and understand what GE can do to contribute to this effort.

Thank you in advance for your consideration,
