Hello Nele,

I hope all is well.

Art.4.1(b), will be in Brussels on Nov 26/27 and she would very much like to see Commissioner Malmstrom again to discuss the status of the Transatlantic Relations, WTO (eCommerce initiative) and possibly also China. This visit will also be after the midterm elections, so Art.4. could give her perspective on the impact the outcome will have on Trade.

In the past they always have had positive meetings and I hope you will once again accept our request for a meeting.

I am looking forward to your response.

Kind regards
