Dear Cecilia, I hope you and Art.4.1(b) are having a nice summer. I writing you this short note to find out whether you would be available for a short courtesy meeting on September 7 in Brussels. Art.4.1(b)
Art.4.1(b) will be in town and it would be great if we could exchange notes with you Transatlantic Trade issues, and the current US administration trade priorities. Art.4.1(b) is Art.4.1(b), and has met Jean Luc several times in the past, but I thought it would be great if he could meet you too (if you are available). Best,

Thanks in advance,
