

1. TEP overview¹

On 28th February 2015, the TEP was only composed of Technical Equipment owned by Member States and Schengen Associated Countries (MS/SAC). The table below shows the composition of the TEP at the end of 2014, as presented in 2015 Frontex Annual Report to the European Parliament, ref.№ 5160/2015 compared to February 2015. The number of assets registered in the TEP in February 2015 for some types of equipment differs considerably from the number presented in the abovementioned report.

	OPV	CPV	CPB	FWA	Helicopters	TVV	Patrol cars	Handheld surveillance equipment	Equipment for border checks	Dogs
Feb 2015	18	21	37	33	26	19	18	58	12	16
End of 2014	21	62	250	37	52	32	103	103	224	41
