Thanks a lot for setting up the meeting with Mr. Kratsios last week in Lisbon. We found the meeting very useful and we would like to be the beginning of a dialogue with Mr. Kratsios' teams on several digital issues, including Artificial Intelligence. We would therefore kindly ask you if you could put us in touch with Mr. Kratsios' team to discuss a number of follow ups, including the possibility to set up a meeting in the future with some of the experts in Mr. Kratsios' team on these issues.

Regards,
