Subject: RE: belated follow-up from our London meeting
Attachments: 2018_[REDACTED].pdf; 2012_[REDACTED].pdf; catalysts-09-00586.pdf

Dear [REDACTED]

As a follow up of your earlier email on the issue of particle number measurements, I attach a couple of papers from the JRC. I also put in copy the two main responsible researchers on this issue, [REDACTED] and [REDACTED].

You can follow up with them, if you have any questions. I also attach the latest review paper that came out.

Best regards

[REDACTED]
