Subject: Invitation to the CER Board meeting

Dear Executive Vice-President,

With the letter attached I would like to invite you to join a meeting of the leading European rail CEOs held in Brussels on 19 February 2020. As the rail is expected to play an essential role in delivering the Green Deal, we believe it would be an excellent opportunity to discuss the contribution of our sector.

Roger van Boxtel, NS CEO, is a member of the CER Management Committee. I would therefore welcome any prior consultation on this subject you might have with him bilaterally or in the presence of myself.

Thank you in advance for your kind consideration

Yours sincerely
