Dear [REDACTED],  
EVP Frans Timmermans would be interested in having a joint meeting with Mr. Jerome Pecresse, President & CEO, GE Renewable Energy and [REDACTED] in Davos. EVP will arrive in Davos from Wednesday 22 January in the evening and stay until Friday 24 morning. The meeting would therefore be during this timeframe. Will they be in Davos?  
Thanks in advance for your answer and happy to explore concrete timeslots for the meeting.

Member of Cabinet of Executive Vice-President Frans Timmermans

Dear Mr. Samsom,

By way of this email, my name is [REDACTED] and I lead [REDACTED] GE in Europe. I am writing with respect to the upcoming World Economic Forum Annual Meeting later this month, which I understand that First Vice-President Timmermans may be attending.

On behalf of GE, I would like to request a meeting between Mr. Timmermans and Mr. Jerome Pecresse, President & CEO, GE Renewable Energy and [REDACTED] [REDACTED] for GE. Mr.

Pecresse and [REDACTED] who also leads [REDACTED] [REDACTED] will be at Davos on January 21 - 24. The purpose of the meeting would be to discuss the Green Deal and how GE as an industry leader in renewable energy, power and aviation as well as an industrial multi-national can make a positive contribution to the objectives of the European Union.

I sincerely hope the First Vice-President's agenda would accommodate such a meeting and look very much forward to hearing back from you.

With best wishes for the new year,
