Dear [REDACTED]
Thank you for your mail and request for a meeting with Ms Helena Braun.
The next few weeks are extremely busy for Ms Braun and she could propose you to have a meeting on **6 July at 15h30**, or on **9 July after 15h30**, or on **11 July, any time in the morning**.
Would be any of these options also suitable for you?
Thank you in advance for your understanding.
Kind regards,

Subject: 19 June at EUROPEN?

Dear Helena,
Now that the final SUP proposal is out, can we still meet?
EUROPEN holds its executive committee meeting on 19 June. It would be a great opportunity to have you at our meeting if you are available for a good discussion with 10 of my members that reflect the packaging supply chain and all materials. Please invite a colleague if you wish. Alternatively, I come to your office, hopefully accompanied by one or two members.
I will not react to the proposal in writing to you now. EUROPEN will assess the SUP in detail and will have lengthy discussions with its membership in order to come up with a suitable and well thought out and argued position, also addressing the bigger picture. This proposal sets precedents both in content and process, that it will require some time for us to get our views right, constructive, clear and hopefully helpful.
Hope to hear from you soon,
