Subject: WG: Request for a meeting

Dear Ms Braun,

thank you for your time on the phone and as discussed I am happy to send you the email regarding a meeting request with you on 20 November. Regarding the timing, we are happy to schedule our agenda any time between 12-17.00 according to your availability.

As laid out in the email below we have a illustrious round of European CEO and board members of the European raw materials industry seeking the dialogue with relevant stakeholders on the future of raw materials in Europa and what role they can play in a sustainable future both ecologically and economically speaking. The concept of circular economy plays an essential role in this.

Please find enclosed the mentioned Raw Material Charter that has been developed during the last 12 months and that has been publicly presented on 26 September.

I stay at your disposal on any further questions and look forward to your answer.

Sincerely,

[REDACTED]
