Thank you very much for the prompt answer [REDACTED].

Dear Ms Braun,

When would it be convenient for you to meet us? We are Brussels-based so easy for us to come over to the Berlaymont

Sincerely

Beste Mr Samsom,

You kindly joined our construction lunch that was held at the Stanhope on 29<sup>th</sup> January and all participants were extremely pleased with the information you shared with us.

In a few weeks, the EC will publish its new circular economy strategy. You may be aware of [the EC Level\(s\) initiative](#) and the 20<sup>th</sup> February workshop that will bring all construction projects together from across the EU. There

is now a [EU-funded digital logbook project](#) starting and the announced revision of the Construction Products Directive, as announced in the Green Deal.

The reason for this email is that we have put all these pieces together and wish to share our circular construction ideas at the highest level of the Commission. Would there be someone in your team with whom we could meet to get some feedback?

Looking forward to hearing from you

Mvg
