On behalf of Ms Helena Braun, Member of the Cabinet of the First Vice-President of the European Commission, Mr Frans Timmermans:

Dear [REDACTED],

Thank you for your mail, interest and request on behalf of FEAD's President, Jean-Marc Boursier, and Peter Kurth, current FEAD's vice-President and incoming President (01/01/2020), President of BDE, the German Waste management association for a meeting with the Executive Vice-President of the European Commission, Mr Frans Timmermans on 18 December 2019.

Regrettably, Mr Timmermans is unable to give a positive response to your request due to very heavy agenda constraints on that very day and he passes his regrets for not being able to accommodate your request.

We could propose you instead a meeting with Ms Helena Braun, responsible Member of the Cabinet of the First Vice-President, at 15h00, if this is acceptable by you. Please kindly let us know.

Thank you in advance for your understanding and looking forward to your feedback.

With best regards,

[REDACTED]

Dear Helena,

On 18th December FEAD's President, Jean-Marc Boursier, whom you know, and Peter Kurth, current FEAD's vice-President and incoming President (01/01/2020), President of BDE, the German Waste management association, will be in Brussels.

That could be an excellent opportunity for a high level meeting with Vice-President Timmermans, to have an exchange on how our industry can help "make the Green Deal happen", combining views of our sector in two leading MS and reflecting our whole industry across EU.

As it is a Collège day, maybe in the afternoon there could be a chance for such a meeting?

We would be happy to have your support on this, do you think you could help in the process?

Thank you very much.

Kind regards,

[REDACTED]
