

**EUROPEAN COMMISSION**

DIRECTORATE-GENERAL FOR INTERNAL MARKET, INDUSTRY, ENTREPRENEURSHIP  
AND SMES  
Sustainable Industry and Mobility

Brussels,

@eppa.com

Many thanks for your letter to VP Timmermans and your contribution to the consultation on the Circular Economy Action Plan Roadmap.

His Cabinet has asked our services to reply to you on his behalf. We value very much your contribution to shape an important policy for the EU such as the circular economy. We acknowledge the specificity of test and measurement industrial products and take note of your suggestions.

Yours sincerely,
