Subject: Cula Economy Action Plan Meeting Request from the paper industry value-chain (CEPI, CITPA, FFCO And ACE)

Dea Mrs. B aun,

I am writing to kindly ask you for a meeting on the future Global Economy Act on Plan.

The whole paper industry value-chain - including **CEPI** (paper industry), **CITPA** (paper and board converters), **FEFCO** (co-ordinated board industry) and **ACE** (beverage cartons industry) - would attend this meeting.

We would like to discuss with you the contribution of the future circular economy action plan to climate neutrality as well as the future sustainable products policy and the review of the waste legislation. We would appreciate the possibility to share our ideas on how to use the use of materials with low carbon impacts (such as sustainably sourced renewables) and increased recycling can contribute to achieve a low carbon circular economy.

Could you please let me know if you have any availabilities in the coming weeks?

Many thanks for you at entrance
Looking forward to meeting you
