**Subject:** Meeting request from the Green 10 Directors

Dear [REDACTED]

On behalf of [REDACTED] the Green 10 [REDACTED]  
[REDACTED], I am writing to find the best suitable date for a meeting covering the most topical issues of common interest between the the First Vice-President, Mr Frans Timmermans and the Green 10 Directors. I would be grateful if you could propose a couple of options in Autumn.

You will also find attached to this email the Green 10 manifesto for the next EU elections. We are currently finalizing the lay out and it will soon be online, but we wanted to share it with Mr Timmermans already.

Best regards,
