**Cher Commissaire Breton,**

As Netflix is continuing to invest in Europe, I would be honoured if we had the opportunity to meet in person and discuss Netflix's role in the European creative and entertainment ecosystem in the digital age. Netflix is committed to supporting this Commission's goal of promoting creative industries, as a catalyst for innovation, jobs and growth.

I will be travelling to Europe at the end of March, more specifically from the 23rd to the 26th of March 2020, and I am writing to explore the possibility of arranging a meeting on this occasion. I hope the timing is possible and look forward to hearing from you.
