**Subject:** access to documents request - Annual reports of the joint venture of Pasteur Mérieux-Merck

Dear Secretariat General of the European Commission,

Under the right of access to documents in the EU treaties, as developed in Regulation 1049/2001, I am requesting documents which contain the following information:

In 1994, the companies Sanofi Pasteur and Merck & Co embarked upon a joint venture to make vaccines. The European Commission decision of 6 October 1994, 94/770/EC, required in paragraph (3) that: "the joint venture would provide the Commission with annual reports on volumes, prices and/or market shares in connection with the German and French HIB markets, and the French Hepatitis B and measles/mumps/rubella markets."

[redacted], a non governmental organization with offices in Geneva, is requesting copies of these annual reports for each year they were provided, from 1994 until the last reports were provided by the joint venture.

Yours faithfully,

-----  
This is a request for access to information under Article 15 of the TFEU and, where applicable, Regulation 1049/2001 which has been sent via the AsktheEU.org website.
