OUTSIDE OF THE SCOPE

Access is also given to documents 1, 3-6. As for document 1, parts of the document have been redacted, as they fall outside the scope of your request and do not concern Palantir in

PROTECTION OF PERSONAL DATA

With regard to document 1, listed above, a complete disclosure of the identified documents is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain the following personal data:

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the requested document, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

You may reuse public documents, which have been produced by the European Commission or by public and private entities on its behalf based on the Commission Decision on the reuse of Commission documents.
