Dear Executive Vice-President,

Please find attached a letter from BusinessEurope [REDACTED] and myself, thanking you again for your participation in the videoconference with our members on 16 June.

I am also pleased to share with you BusinessEurope's new position paper "**What trade can do for climate**".

In this paper we propose a number of measures and areas of action on **multilateral, bilateral and unilateral level** that can contribute to the **promotion of climate action through our trade policy**.

We would be happy to discuss further and remain at your disposal for any further question.

Best regards,

[REDACTED]
